F A Q

You have questions. We have answers.

WHAT'S THE AVERAGE COST OF THE WEDDINGS YOU PLAN?

We work with couples of various budgets and are always happy to gauge whether or not we're within your price range prior to an initial consultation. Typically couples spend 15-20% of their overall wedding budget on full service planning, & 10-15% on coordination & partial planning respectively.

WILL YOU HANDLE OUR CONTRACTS AND VENDOR PAYMENTS?

Depending on your needs, our full service planning package does offer contract and payment management for all vendors.

DO I NEED A WEDDING COORDINATOR IF MY VENUE HAS A COORDINATOR?

That's a resounding YES! Here's why. Although we love venue coordinators & their role is crucial, they have a very different job to do. They coordinate the venue & everything related to the facility its self. They do not coordinate your event. They represent the interests of the venue, whereas we have your back!

DO YOU HAVE A LIST OF PREFERRED VENDORS TO USE?

We sure do! From wedding photographers to florists and caterers, we've worked with some of the best companies in the industry & would love to share their information with you!

DO WE GET A DISCOUNT FOR USING YOUR PREFERRED VENDORS?

In many cases yes. However, each vendor we work with has their own policy regarding discounts, but we can ensure that you will be receiving the very best pricing available. We work to match you with vendors appropriate to your vision & budget. We are proud to work with highly seasoned & talented wedding professionals.

F A Q

Send us a message. We are always happy to help!

HOW DO YOU DEAL WITH WEDDING DAY DISASTERS?

Years of experience has taught us how to keep our cool under pressure. And we always make sure there's a back-up plan for every situation. By staying organized, and maintaining clear communication throughout the planning process we do our best to eliminate issues before they arise. When they are inevitable we handle things with calm professionalism.

HOW MANY MEETINGS WILL WE HAVE?

DO YOU COME WITH US TO ALL OF OUR RELEVANT MEETINGS?

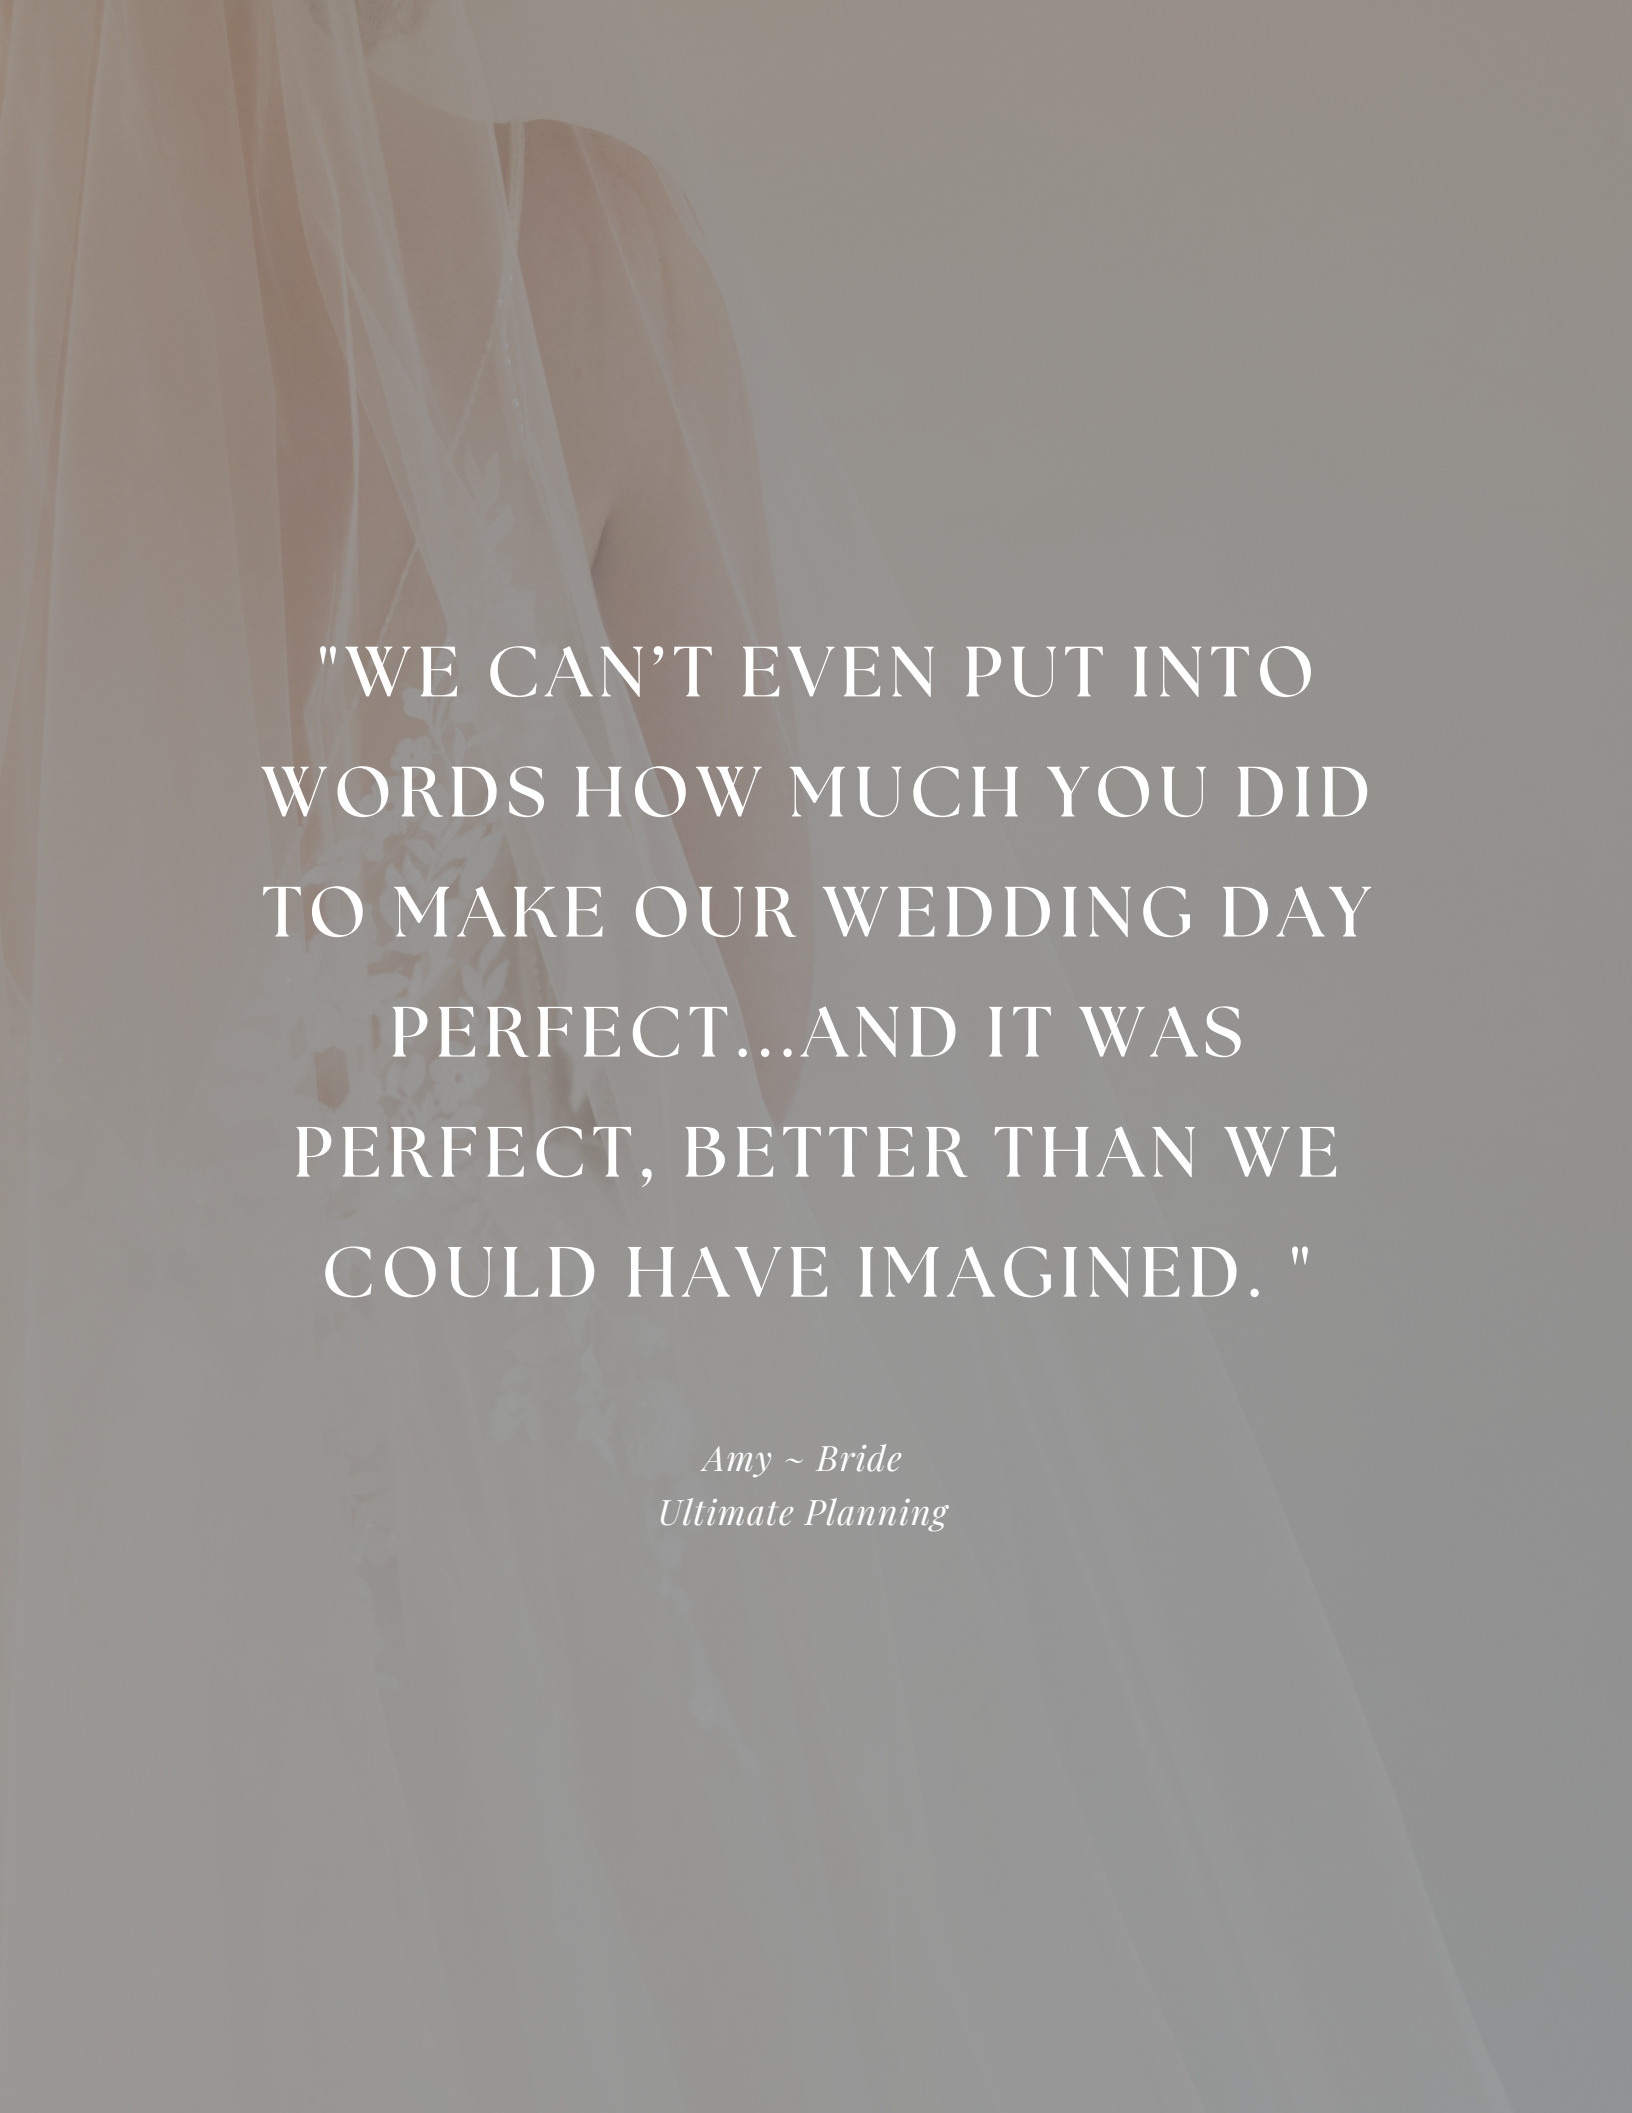

Your needs & the service you've booked will guide the number of meetings we have & what vendor meetings we attend with you. We'll work with you to maintain communication via in-person & virtual meetings, as well as communicating within your planning portal & via email, to ensure that we're always on the same page.

HOW MANY PEOPLE ON YOUR STAFF WILL BE AT THE WEDDING?

This greatly depends on the logistics & budget of your event, but you will always have at least one on-site coordinator the day of your wedding.

HOW DO WE RESERVE OUR WEDDING DATE?

Let us know when you're getting married, and we'll let you know immediately whether or not we're available. If you haven't narrowed down a date yet, we can help! It helps to have 2-3 dates in mind before deciding on your venue & other vendors.

"WE CAN'T EVEN PUT INTO
WORDS HOW MUCH YOU DID
TO MAKE OUR WEDDING DAY
PERFECT...AND IT WAS
PERFECT, BETTER THAN WE
COULD HAVE IMAGINED. "
